

2015 IPF WORLD MEN'S & WOMEN'S POWERLIFTING CHAMPIONSHIPS

1st Newsletter

Dear all,

This is the first Newsletter for the 2015 Open World Championships in Hamm, Luxembourg.

Here is some important information you need to know for the Championship:

When you send in your preliminary nominations via paper and electronically, you will also need to book your accommodation. This is very important that we get in early and make sure that enough rooms are booked for all nations because for six months from July, the Luxemburg Government has the European Presidency and that means that all Hotels will be fully booked.

Booked rooms can still be cancelled 30 days before the technical meeting if they are not required and individual rooms can be cancelled according to our rules.

The accommodation booking form can be downloaded from the IPF webpage and you can also find it on the organizers webpage: <http://woplhamm2015.com/> Please complete it with the names of the people who will share rooms to assist the hotels to prepare everything.

All rooms will be booked by the Meet Director but payment will be done at the reception of the Hotel or if you want wire the money then it should be wired directly to the Hotel. Rooms can be also be paid by credit cards.

We will advise you as to which Hotel your team will be booked into once we receive your information. First in, has the best choice.

As we are not asking for entry fees we will not be doing badges and so you don't need to send pictures.

Best regards

Organizing committee
