## 2015 IPF WORLD MEN'S & WOMEN'S POWERLIFTING CHAMPIONSHIPS

### 2nd Newsletter

Dear all,

As you may be aware, an electoral congress meeting will be held this year at the championship. It will be held on Sunday 8 November at 15.00 PM at the INS (Institute National des Sports). This congress meeting is your opportunity to be informed and contribute to decisions and of course to elect the Executive Committee members for the next 4 years.

We recommend all nations send a delegate (or a maximum of 2 delegates) to the congress. It is recommended that delegates arrive on Saturday 7 November to ensure they are in time for this important meeting.

Upon arrival in Luxembourg you will be guided to your hotels. Information regarding the championship will be given at the Technical Meeting which will be held after the congress meeting at the same venue.

For those who will be arriving by private car to the congress, the address of the INS is: Institute National des Sports 66, rue de Trèves L-2630 Luxembourg.

All the IPF EC members will stay at the DoubleTree Hotel.

There will be scales available in each of the official Hotels.

The championship banquet will be held at the Pizzeria Piccolo Mondo 216, rue de Hamm L-1713 Luxembourg very close to the lifting venue. Only 150 banquet tickets will be available so we ask that you advise us on the preliminary nominations how many tickets your nation will require.

Best regards
