Dear Friends

The Chinese Taipei Powerlifting Association is sad to announce the peaceful passing of our beloved president, Mr LEE Shui-Chuan (1937.04.08-2021.10.01) at his home in Kaohsiung Taiwan, aged 84.

More commonly known as “The Head Coach” by members of our federation. Mr Lee was a founding member of CTPA in 1987, serving as its Vice President (1987~2013) and President (2013~2021). As a lifter, Lee represented Chinese Taipei multiple times internationally in both powerlifting and weightlifting, breaking multiple national records until his retirement at 60 years of age. As a coach, he was instrumental in the discovery and training of many successful Taiwanese powerlifters. With two of his students honoured by the IPF Hall of Fame. Chao Chen-Yeh (2006) and HSIEH Tsung-Ting (2018)

Through his stern but fair old school leadership style, Mr Lee cultivate an atmosphere of camaraderie amongst Taiwanese powerlifting circle. Where accumulated experiences and knowledge of our lifters are selflessly passed down from seasoned lifters to prospective young talents as well as gym enthusiasts. Where a gym is not just a place of training but a place to hang out. A place where everyone knows yours name and the official closing time is just a suggestion.

His presence in the gym will be missed, his ubiquitous influence remembered.
