

## Approved list of Personal apparel and equipment for use at IPF sanctioned competitions

**Valid from: 1<sup>st</sup> January 2023 until 31<sup>st</sup> December 2026**

**Update: 08.04.2025**

Approved Personal supportive equipment:

Only costumes, support shirts, wraps, belts, knee sleeves and singlets from commercial manufacturers officially registered and approved by the IPF Technical Committee shall be permitted for use in Powerlifting Competitions. This applies to all championships and records, from Local to Worlds.

All equipment marked with an Asterix (\*) is provisionally approved. This equipment is under production and not on the market yet. After a final inspection/approval by the IPF, the Asterix will be removed and the manufacturer is allowed to launch it officially on the market.

## Approved bars, plates and racks

Only bars and plates, squat racks, bench racks and benches from commercial manufacturers officially registered and approved by the Technical Committee shall be permitted for use in World, Regional and Continental Championships. The setting of World and Regional Records must be made with Bars and Discs featured on this list.
